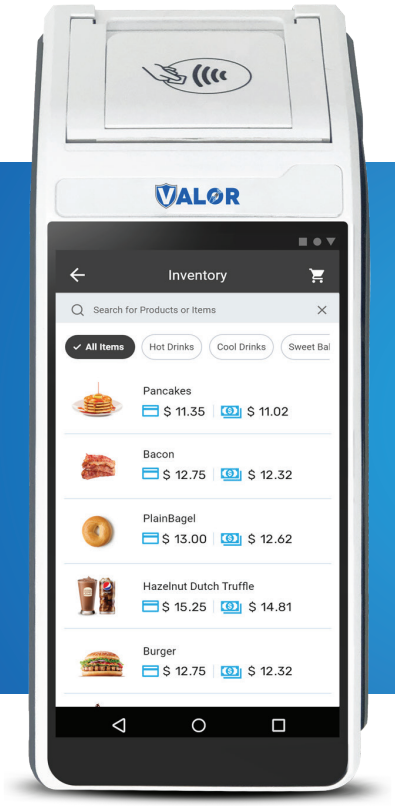
VALOR PAYTECH

VL500

The Pay at the Table Android POS

Embrace innovation and expansion with the VL500, a cutting-edge, visionary payment solution poised for enterprises shaping the future.



Benefits

User-friendly and Intuitive Experience

Enjoy a user-friendly experience with a spacious touchscreen display on our intuitive interface with a digital signature capture feature with print, SMS, or Email receipt options. Enjoy the ease of paying right at your table with a customizable bill splitting feature for group payments.

Advanced Technological Expertise

Utilize cutting-edge technology for flexible transaction processing with dual merchant IDs (MIDs), uninterrupted service with the auto-connection failback procedure, and enhanced 4G LTE, 3G, GPRS, WLAN, and Bluetooth wireless connectivity, ensuring secure and reliable services.

Secure and Convenient Contactless Payments

Expand your customer options with Dual Pricing, Cash Discounts, and Surcharges and enhance payment flexibility with e-invoice, text, and email payment options. Embrace the future of payments with advanced EMV card technology, offering choices such as swipe, tap, and dip card payment options.

Business App Marketplace with Automated features

The Android operating system comes with automatic software updates at regular intervals, an all-in-one business app marketplace, and menu and inventory management tools for additional stock management features. This saves time, minimizes waste, ensures product availability, and optimizes operations and efficiency.

Features

- 5.5" Touchscreen Display
- Cash Discounting, Dual Pricing, Surcharging
- 4G LTE, 3G, GPRS, WLAN, & Bluetooth Wireless Connectivity
- Auto-Connection Failback Procedure
- Dual MID Supported Technology
- Automatic Software Updates
- Menu & Inventory Management
- Business App Marketplace
- Digital Signature Capture with SMS & Email Receipt options
- Pay-at-the-Table, Bill Splitting & Tip Adjustment
